

I am Jhanvi Bhatt

I observe, I research, I learn

I am...

I am an aspiring visual communication designer, passionate about crafting purpose-driven and research-based works. As a dedicated explorer, I innovate to enhance audience experiences through strategic use of colors, typography, and layouts. Eager and adaptable, I thrive in diverse collaborations. Beyond design, I enjoy reading, live sketching, journaling, writing, calligraphy, gardening and find solace in the healing power of music.
